RELEVANT EXPERIENCE

UMass Amherst Golf Team

Amherst, MA

Head Coach and Team Member

Fall 2023 – Current

- Spearheaded the team's transition from an unranked club to competition against NCAA Division I programs nationwide, elevating the program's visibility and competitive credibility.
- Coached a club team that competed vs. NCAA Division I opponents and, to our knowledge, became the first club golf team ever to appear in an NCAA Division I ranking.
- Secured over \$120,000 in funding through strategic budgeting, alumni outreach, and sponsorships enabling travel to 8 national tournaments across 7 states in just 8 months.
- Managed an annual budget of over \$80,000 per year optimizing spending for travel, equipment, and tournament entry fees while maintaining compliance with university policies.
- Developed strategic partnerships with other collegiate programs and tournament directors, increasing invitations to high-profile events.
- Oversaw all logistics for travel to tournaments including flights, lodging, tee times, and university compliance, ensuring smooth experiences for 8+ team members.

Harvard University Athletics

Cambridge, MA

Athletic Event Volunteer

Summer 2025

- Collaborated with Harvard Athletics' ticketing and media teams to ensure smooth execution of an ESPN+ live-streamed event, handling logistics across multiple departments under time constraints.
- Executed ad hoc operational tasks including credential distribution, and media communication to support a clean and professional game-day experience.

WORK EXPERIENCE

Wolf & Company, P.C

Boston, MA

Regulatory Compliance Intern

Summer 2025 – Current

- Conducted Bank Secrecy Act (BSA) and anti-money laundering (AML) audits for banks, credit unions, and high-risk clients including Money Services Businesses (MSBs) and Marijuana-Related Businesses (MRBs).
- Collaborated with audit teams and client stakeholders to compile evidence, document findings, and deliver actionable risk assessments.
- Developed risk assessments from audit evidence and interviews, translating findings into clear control gaps, risk ratings, and compliance recommendations.

Wolf & Company, P.C

Boston, MA

Internal Audit Intern

Summer 2024 – Winter 2024

- Assisted in internal audits of banking institutions, evaluating key business functions including wire transfers, commercial lending, and human resources for regulatory compliance and operational efficiency.
- Tested internal controls and identified deficiencies using FDIC regulatory guidance, documenting findings and recommendations in Excel-based workpapers.
- Participated in 25+ interdisciplinary client meetings alongside senior auditors to present findings, clarify issues, and support development of corrective action plans.
- Gained practical experience with audit methodology, risk-based testing, and communication of audit results to stakeholders in the financial services industry.

RESEARCH

UMass Amherst Department of Economics

Amherst, MA

Undergraduate Research Assistant

Fall 2024 – Spring 2025

- Conducted quantitative and qualitative research under Professor Gerald Epstein focused on the environmental impact of cryptocurrencies.
